

Welcome Home

At Family Christian Center, we are a church that the whole family can enjoy. One of our goals is to present messages of practical application to you and each member of your family. We want you to leave today's service excited about the things of God, and equipped with the tools you can use to share in your own families, neighborhoods, and workplaces. We hope to see you again soon and we want you to know that we love and appreciate you. We pray that God richly blesses you and your family.

Blessings,
The Thomas Family
